BOARD OF CHURCH EXTENSION.

To the Bishop and Members of the Southwest Missouri Annual Conference:

Dear Brethren: We, your Board of Church Extension, beg leave to submit the following report:

We have had under consideration the communication of Dr. W. F. McMurry, Corresponding Secretary of the General Board, and most heartily endorse the proposition to create Conference and District Loan Funds, and to increase those already created. We would recommend that the first Sunday in February be designated as the day on which to present the cause of Church Extension.

The assessment on the Conference is the same as last year and is apportioned among the various districts as follows:

Kansas City	\$1,643.00
Lexington	934.00
Marshall	1,187.00
Springfield	990.00
Nevada	1,043.00
Joplin	743.00
Total	<u>\$6,540.00</u>

The apportionment to districts is the same as last year except where district boundaries have been changed, in which cases due regard has been had to such changes.

Application for aid in building churches and parsonages were received, considered and the following grants were made:

Churches:

Bonnots Mill	\$ 300.00
Olive Street, Kansas City	250.00
St. Luke, Springfield	200.00
Cleveland Avenue, Kansas City	500.00
Boonville	400.00
Prairie Home	250.00

Parsonages:

Medford	200.00
Waynesville	200.00
Total	<u>\$2,300.00</u>

The above grants were made on the condition that they would not be paid until the local congregation had secured enough funds so that these grants would complete the building free from debt or would liquidate the debt already incurred, except in the case of Olive Street, which was made on the condition that they raise a sum of money agreed upon and which would not jeopardize the money put into it.

The Treasurer's books were audited and found to be correct.

GEO. J. WARREN, President.
T. H. CLAYTON, Secretary.

REPORT OF THE SUNDAY SCHOOL BOARD.

To the Bishop and Members of the Southwest Missouri Conference of the Methodist Episcopal Church, South:

Dear Fathers and Brethren: We note with great satisfaction the rising tide of enthusiasm, interest and efficiency in the Sunday Schools of our great church. The last report of the General Sunday School Board shows a very gratifying increase in enrollment, in the sale of our various publications and the general adoption of modern methods in our schools.

District Organization.

We heartily concur in the plan of the General Sunday School Board of making the District the unit and of organizing each District into a Sunday School Association with the following officers: An executive committee, with the Presiding Elder ex officio Chairman; a President; a Secretary-Treasurer, and a Departmental Superintendent for the Elementary, Home Departments, Teacher Training and Wesley Bible Class Departments.

Standard of Efficiency.

Realizing the worth of every requirement in the Standard of Efficiency given us by the General Sunday School Board, we endorse it and recommend it to every Sunday School in the conference and urge them to strive to attain unto it.

Teacher Training.

We believe that the effectiveness of the work of the Sunday School depends in a very large degree upon the work of the Teacher. Therefore, we urge that every school in the Conference make an earnest attempt to organize a Teacher Training class.

Children's Day.

In-as-much as we learn from the Treasurer that only a little more than fifty per cent of our charges have observed Children's Day during the past year, and as your Board is greatly in need of funds to meet the increasing demands, we, therefore, urge each pastor to read carefully paragraphs 265 and 270 of the Discipline. And, realizing their influence and responsibility at this point, to see to it that not only every charge but that every Sunday School observe Children's Day receive an offering and send it at once to Bro. Scarritt.

Wesley Bible Classes.

We note with concern that many of our Organized Classes are enrolling with the International Associations and ignoring our own Wesley Bible Class Department at Nashville. In view of this condition we wish to emphasize this point and urge that all classes in the Intermediate, Senior and Adult grades organize according to the Standard of our Church and send their applications for enrollment to Rev. C. D. Bulla.

Institutes.

We heartily agree with the suggestion of the Sunday School Board of the Missouri Conference that the Presiding Elders of the three Missouri Conferences be requested to so arrange the dates of their District Conferences that the Divisional Field Secretary and the Conference Sunday School Boards can hold a Sunday School Institute at each Conference.

Assistance.

It is the policy of the Board to assist in the organization of Mission Sunday Schools and to furnish needy Sunday Schools with supplies for at least one quarter on application of Pastor or Presiding Elder.

Programs for Children's Day will be furnished to all schools desiring them.

Conference Field Secretary.

We are glad to announce that our Board has secured the services of Rev. R. F. Campbell, for two months, covering the period of District Conferences. His duties will be to act with the Board in arranging for and holding a Sunday School Institute in connection with each District Conference. We bespeak for him your heartiest co-operation.

REPORT OF BOARD OF EDUCATION.

We view with deep gratification the healthful state of our educational interests and brilliant prospects for larger development of this great work in the future. Both our connectional and our Conference enterprises are admirably preparing themselves to take their place in meeting the opportunities before them.

Dr. A. J. Lamar, representing the Educational Commission; Dr. Casper S. Wright, Vice-President Southern Methodist University, and Dr. Stonewall Anderson, Secretary General Board of Education, were before us, each presenting the claims of the important interests to which he was delegated.

Dr. Paul H. Linn, of Central College; Dr. Z. M. Williams, Central College for Women, and Dr. Arthur Bonner, of Scarritt-Morrisville College, represented our local educational institutions.

Having fully and carefully digested their reports and presentations, we propose as follows:

Regarding Southern Methodist University: 1. We recommend to the Conference, the adoption of the preamble and resolution contained in the paper presented to the Conference by Casper S. Wright on behalf of the Educational Commission, which resolution is a part of the application on behalf of the Conferences named in the preamble of the Educational Commission and of the Trustees of Southern Methodist University to so amend the charter of the said University as to make it a Connectional University of the Methodist Episcopal Church, South, owned and controlled by the General Conference of the Church. 2. We have heard with pleasure the report of the Educational Commission as submitted for our information by Bishop Warren A. Candler, the chairman of the Commission, and we express our gratification that such fine progress has been made in the establishment of two Universities, viz.: Emory, located at Atlanta, Ga., and Southern Methodist, located at Dallas, Texas. 3. We ask the election of J. T. Pritchett as Trustee of Southern Methodist University, Dallas, Texas, from the Southwest Missouri Conference.

Regarding our Educational enterprise at Columbia, we have received and carefully canvassed the report of the Temporary Commission on Religious Interests at the State University. Conforming to their suggestion we ask the election of W. M. Rader and J. T. Rector on the Permanent Commission provided. We make an appropriation for the work as indicated below.

We make the following nominations for Conference election: Hon. W. C. Scarritt and J. T. Pritchett as Curators of Central College; W. J. Campbell and Dr. Arthur Nelson as Curators of Central College for Women; M. E. Earley, O. C. Jackson, C. C. Woods, W. P. Buckner, and W. G. Willis as Curators of Scarritt-Morrisville College. We request the Commission to classify Scarritt-Morrisville College as a "B" grade college, when they shall have met the requirements and standards of scholarship and equipment set forth by the Commission.

We ask the following appointments by the Bishop: J. T. Pritchett, Conference Secretary of Education, Dr. Arthur Bonner, President Scarritt-Morrisville College; Dr. Z. M. Williams, President Central College for Women; F. A. Culmer, Student-Teacher at Central College; J. D. Prater, student at Northwestern University.

We recommend assessments to the amount of \$5250, as follows:

General Board	\$2071
Central College	1000
Scarritt-Morrisville	1200
Central College for Women	400
Preachers Institute	275
Junior Preacher at Columbia	200
Expenses of this Board	104
Total	\$5250

We recommend that this be apportioned to the several districts as follows:

Kansas City District	\$1100
Lexington	920
Marshall	930
Navada	900
Joplin	700
Springfield	700
Total	5250

We recommend that the amount assessed for the Preachers' Institute and Board expense fund be paid in full and the remainder be pro rated among the other claims.

The educational statistics reported are:

Value of property (about)	\$500,000
Teachers	56
Students	400

REPORT OF THE EPWORTH LEAGUE BOARD.

Dear Fathers and Brethren:

We have approximately one hundred-sixty leagues with more than five thousand members within the bounds of the Conference. This would indicate that this Board has something to represent whether or not it has something to do.

It occurs to us, however, in the light of certain facts, that we exhort the brethren of the Conference, and we take pleasure in doing so briefly.

Exhortation No. 1: We need to remember that the Epworth League, both according to the plans of its founders and its very character, is essentially a missionary and evangelistic institution and not merely a supplementary money raising channel whose identity is to be so merged into the general work of the church that it loses its distinctive character. We recommend therefore that the money raised by our Leagues for missions be for some special purpose and that mission study classes and evangelistic effort be the special work of our League.

Exhortation No. 2: The work of our General Board as well as the League work in the State is dependent very largely upon the Anniversary Day offerings and dues. We therefore insist that all due effort be put forth to raise these funds, and turn them into their proper channels.

Exhortation No. 3: The Epworth Era is our young people's special organ. It is necessary to the church as a whole and to the league in particular, but it is published at a loss because of lack of support. A word to the wise should suffice.

Finally, we repeat the endorsement of our former board with reference to the Missouri State organization, and the state conference, and trust that both the organization and the conference will continue to grow in power and support.

We believe in the League, we believe that we ought to study it and not turn away from it, and we ought to encourage and not doubt. Trusting that we will all do so, we respectfully submit our report.

H. J. RAND, President.
O. S. FIRESTONE, Secretary.

AMERICAN BIBLE SOCIETY.

Dear Brethren:

It is unnecessary for this board to insist that the claims of the American Bible Society are among the most valid laid upon us. The work of the Society is not only a matter of wide interest but of great usefulness.

In view of the rumor that the Society has vast funds from which interest is derived sufficient to meet all requirements, your board deems it advisable to say here that the income of the funds in hand provides for only 16 per cent of its budget. The Society depends upon voluntary contributions for a majority of its work; and its work is so vital in its relation to our work that we cannot afford to cut down on its funds.

While it has paralyzed the work of many mission fields, the present great war has created a great demand for the Word; the mission fields are clamoring for more copies of the Bible and for its translation into numerous new languages. The church Missionary boards have left this work practically in the hands of the American Bible Society; and despite the fact that the Society distributed more than 6,500,000 copies last year, it cannot meet the demand. Further expansion is impossible without funds.

To this end, and in view of the facts that this is the centennial year of the American Bible Society, your board recommends that this conference designate the month of January as a month for special activity in Bible Society work, and that suitable services be held and collections be taken in all the congregations of the conference for the society.

We commend the plan followed by one or two of our Presiding Elders in personally seeing that this collection is taken, and in calling the attention of busy pastors to its merits.

Your board began a campaign of exhortation and education last year by mailing out letters and leaflets to the pastors of the conference. We are pleased to note this year an increase in offerings over last year of more than \$115. The amount for the year is \$364.94, contributed as follows:

Joplin District	\$ 15.00
Kansas City District	51.71
Lexington District	74.12
Marshall District	119.08
Nevada District	83.96
Springfield District	12.25

We note that the column containing the report of the contributions to the Society was omitted from last year's Annual. We recommend that this conference hereby instruct the editor of the Annual to include this item in the future.

Respectfully submitted,

U. V. WYATT, President.

A. B. JACKSON, Secretary.

BOOKS AND PERIODICALS.

St. Louis Christian Advocate.

We heartily endorse the management of the St. Louis Christian Advocate under Drs. Woods and Mather, whereby an indebtedness of \$2,500.00 has in the last year been converted to a cash balance of over \$1,000.00, which, taken with good accounts amounting to over \$1,200.00, gives a balance of about \$2,300.00. We are pleased to note that at the same time the high standard of the paper has been maintained. Just now, or within the near future, the patronizing conferences, in order to place the Advocate on a sure financial footing, should give an increase of subscribers to the paper of at least fifty per cent. We urge that the Southwest Missouri Conference should not fall short of its privilege and duty in this obligation to our Conference organ.

We recommend the re-appointment of Dr. C. C. Woods as editor and ask that Rev. John F. Caskey be appointed on the editorial advisory committee.

The Nashville Christian Advocate.

We regret very much that our General organ reaches less than fifteen thousand of our church homes, a large number of which is parsonage homes. This

in addition to unpaid subscriptions yield a loss to the church of over eight thousand dollars for the past year. Could two new subscribers from each pastoral charge of the church be added to the mailing list this deficit would be turned to a handsome profit, and all the interests of our great cause would be advanced.

We find no cause for self gratification in the fact that the Epworth Era and the Methodist Review are published at a loss to the publishing house of over five thousand dollars. It does seem that the very superior excellence of these publications should commend them to the loyal intelligence of our church.

We call attention to the Misisonary Voice, published by the Board of Missions, as being full of information and inspiration that will help every one who reads it to a higher life and a richer devotion to the cause of our Lord and His Christ.

We think that our Sunday School literature is not excelled by any other, and that it is the very best for all our Sunday Schools.

We wish our people to bear in mind the fact that a certain part of our publishing house profits are each year turned to the support of our Conference Claimants (the Southwest Missouri Conference receiving \$400.00 this year) and that every dollar which we as Methodists spend for literature other than our own is a diversion of funds from our worthy superannuated. We recommend to our preachers the Post Graduate Reading course selected by the Bishops, the books of which can be secured for eight dollars. Our book stores at Nashville, Dallas and Richmond are the largest in the South and can furnish promptly at as low a price as can any other house in the United States.

COMMITTEE ON ADVOCATE.

The joint committee appointed by the three Conferences of the Methodist Episcopal Church, South, in Missouri, to safeguard their interests in the administration of their property of the St. Louis Christian Advocate, bequeathed to the Conferences in the will of the late Dr. W. B. Palmore, report:

Dr. Palmore by his will gave all his property to the Church, naming as his beneficiaries the Central Female College at Lexington, Missouri, to which he left all his real estate; and the three Conferences in Missouri, to which he left the St. Louis Christian Advocate—the assets of which are its mailing lists and good will.

Your committee met at the Advocate office in the City of St. Louis, October 27th, 1914, and appointed as a sub-committee Hon. C. M. Hay and X. P. Wilfley, attorneys, to examine into the condition of the property and report. They employed an expert accountant to examine the books of the St. Louis Christian Advocate Publishing Company. From the accountant's report nothing could be certainly determined as the record of business showed only single entry, often not itemized so as to be intelligible and no bank accounts to verify or explain them.

There also appeared before the committee a claimant not mentioned in the will, Miss Amy Donnan, to whom Dr. David McAnnally had left his one-fourth interest in the Advocate at the time of his death.

In this state of affairs your committee could only recommend a settlement by mutual agreement between the claimants without litigation. The parties all desire such a settlement and it seems likely to be accomplished.

In the nature of the case your work has only been advisory. The properties are still in the hands of the Administrator, so that neither the Trustees appointed to receive and manage the Advocate Company, nor the Trustees of the College have as yet received the properties given to them in the will.

Supplementary to the foregoing report your committee respectfully suggests that in order to establish a closer nexus of the Conferences with the St. Louis Christian Advocate and to aid in its circulation we recommend that an editorial committee be established by the appointment of one member from each of the three Conferences in the State whose function shall be advisory to the Trusees to aid them in securing suitable persons to edit the paper and to promote a circulation among our people.

TEMPERANCE.

Your Committee on Temperance begs to report as follows:

The report of the Trustees of the Anti-Saloon League was before us and we rejoice in the victories for righteousness reported. Therefore;

Be it Resolved, That we heartily endorse the work of the Anti-Saloon League and pledge our co-operation in all its efforts for State and National Prohibition. Also record here our appreciation of the work of the women in this great cause.

We urge upon our people the value of the observance of Temperance Sunday in the Sunday School and strongly exhort them to make the most of it.

We recommend the re-appointment of Dr. W. T. McClure and C. C. Carson trustees of the Anti-Saloon League for the coming year.

Respectfully submitted,

J. H. CLEAVES, Chairman.

J. F. BURLIE, Secretary.

SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, beg leave to submit the following report:

We regret to report that many of our people desecrate the Sabbath by engaging in business and indulging in worldly pleasures on that holy day.

"Remember the Sabbath to keep it holy" is a Divine command, to which all should take heed. We, therefore, urge all our pastors to do all in their power to correct the evil of Sabbath desecration. We also earnestly appeal to all our people to observe by precept and example the holy Sabbath day.

We deprecate the increasing tendency in the Chautauqua movement to make Sunday a day of financial profit; and advise our pastors not to surrender their church services to any cause which charges gate-fees for admission to its Sunday exercises. We insist that they discourage all forms of Sabbath desecration and urge its faithful observance everywhere.

REPORT OF THE COMMITTEE ON CENTENNIAL CONFERENCE CELEBRATION.

Dear Fathers and Brethren:

Pursuant to your orders, after some correspondence during the Conference year the representatives of your Conference met with the representatives of the other Missouri Conferences at Fayette in June and held two meetings. There were present: C. O. Ransford, H. D. Thompson, B. D. Sipple, Dr. P. H. Linn, of the Missouri Conference; W. T. McClure, J. T. Pritchett and F. M. Burton in place of T. M. Cobb of the S. W. Mo. Conference, and E. T. Clark of the St. Louis Conference. After lengthy discussion we decided to recommend the following to our respective Conferences:

1. That the Centennial Celebration of the organization of the Missouri Conference be held in Fayette, Mo., beginning Wednesday, August 30th, 1916, and that Sunday and Monday, Sept. 3rd and 4th be the official days of the celebration.
2. That sermons and addresses delivered be printed in the Conference Journal which shall that year be a special Centennial edition printed on substantial paper.
3. That, if needed, a stenographer be employed for the occasion.
4. That the Conference Secretary request the College of Bishops to appoint Bishop E. R. Hendrix to preside over the Conferences in Missouri or that they arrange that Bishop Hendrix may have the opportunity to meet with us on the occasion of the celebration.
5. That the Conferences formerly a part of the Missouri Conference be officially notified of our contemplated celebration.
6. That special commemorative services be held in all churches and at all District Conferences during the year.
7. That as recommended by the Ecumenical Methodist Commission, Sunday, March 26, or Sunday, April 2nd, 1916, be observed in our churches with a special sermon and other appropriate exercises—the hundredth anniversary of the death of Bishop Francis Asbury.
8. That C. O. Ransford, I. T. Nash, B. D. Sipple, the Presiding Elder of the Fayette District and the pastor of the Fayette Station be appointed as the Committee to carry out these recommendations, prepare a suitable program, secure speakers and attend to all matters needful to the proper observance of the Centennial Anniversary.

REPORT OF COMMITTEE ON EVANGELISM.

Your Committee on Evangelism begs leave to submit the following report: One of the chief characteristics of Methodism from the beginning has been the evangelistic note in its ministry and the revival spirit in its membership. It is the proclamation of a whole gospel by men empowered of the Holy Spirit—the offer of salvation of all who believe, in the name of a crucified Redeemer—that has made Methodism the mighty spiritual force it has become in the life of the race. And for us to undervalue the agencies that have been so signally blessed of God in the past to the conversion of sinners and the establishment of his Church in all lands would be an evidence that we had forgotten “the rock whence we were hewn, and the hole of the pit whence we were digged.”

And yet it must be confessed that among thoughtful people in recent times a decided change of sentiment has occurred regarding the place the revival meeting should hold in the work of Methodism, and the type of evangelism that should be sought after and employed. The multiplication of other gospel agencies in the form of Christian literature, Sunday Schools, prayer meetings and

the frequent preaching of the gospel in every community has rendered more gradual the gathering of the unsaved into the kingdom and more difficult the bringing about of spiritual upheavals such as were witnessed in the early settlement of our country. The impossibility of producing revivals of like character with those obtained in Kentucky, Tennessee, and elsewhere a hundred years ago is driving the Church to the use of other means of evangelism no less Scriptural and more in keeping with the spirit and temper of the times. Such are the religious instruction of the children in the Sunday School and the winning of men and women one at a time by the people of the congregation under competent pastoral leadership.

But another and perhaps more potent cause of the modern reaction against revivals is the undignified, sensational and unscriptural methods that have been used by many professional evangelists who have berated the Church, discounted its ministry, held up its membership to ridicule, indulged in coarseness of speech, depended upon humorous anecdotes and theatrical performances for results, rather than upon the Spirit of God, and manifested a greater concern for money than for souls. It should be a cause for profound thanksgiving that the law of the Church has been so amended that all local and itinerant evangelists must be approved by properly constituted committees of evangelism.

Your Committee is convinced of the need of a more careful pastoral oversight of the children of the Sunday School and congregation so that between the ages of eight and sixteen a well instructed class of boys and girls who have an intelligent understanding of the plan of salvation, a lively faith in Jesus Christ and a fair appreciation of the rules and usages of the Church may be received into its membership each year. Work of this kind should be extended over weeks of time and made to embrace Decision Day in the Sunday School. The candidates for Church membership should be divided into classes of suitable grade and meet not less than three times for instruction by the pastor before being received into full connection. No sensational or emotional type of revival to bring the children in should be used and those won in a quiet, personal way through the simple and earnest presentation of the word will, if properly directed, later on develop into the most valuable workers in the Church.

The time has come when campaigns of personal evangelism should be carried out in every charge in Southern Methodism, and when every congregation in the Southwest Missouri Conference should feel the thrill that comes from participation in one of the sanest and most promising types of evangelistic movement that has ever been inaugurated. The Win-One campaign conducted in St. Louis eighteen months ago under the leadership of Rev. L. E. Todd has been followed by similar campaigns in other cities that have been most fruitful in results, and plans are now being laid for the carrying out of a State-wide campaign in Texas during the coming year in every Conference, District and pastoral charge in that great commonwealth; and those big-hearted, broad-minded, enthusiastic Texans have set their goal at 100,000 accessions on next Easter Sunday.

We therefore recommend that a campaign of this kind be enterprised in the Southwest Missouri Conference early in the calendar year of 1916 to culminate on Easter Day, said campaign to be conducted along the lines indicated in Dr. Todd's new book soon to come from the press, under the general direction of the Conference Committee on Evangelism and the Personal leadership of the presiding elders and pastors. One of the good results of a campaign of this sort will be the gathering up of hundreds of Church certificates held by persons whose membership has been left behind in the community from which they came. A surprisingly large number of unconverted will be led to Christ in this quiet way who will, if properly dealt with by the pastor, be far less likely to fall away than if won in the ordinary revival meeting. And last but not the least will be the reflex benefit received by the workers, hundreds of whom have been dying in almost every congregation for the lack of some definite personal work to do. These campaigns should begin not less than six or eight weeks before Easter and it has been found best in the majority of cases to spend the last ten days or two weeks in special daily services in which the preaching is done by the pastor himself, or by some successful brother pastor who has the gift of evangelism, or by some one of the many evangelists who have been recommended by the Conference or General Committee on Evangelism. Wherever it is impracticable to put through the campaign immediately before Easter we recommend that some other date be appointed and the same general scheme be followed.

Your Committee further urges the importance of cultivating the gift of pas-

toral evangelism and of making use of the ordinary services of the Church in an effort to reach the unsaved, recognizing that after all these methods have been used there will be still need of a revival such as our fathers sought after and obtained and in which not a few of the preachers and members of the Southwest Missouri were brought into the kingdom of God. In the judgment of your Committee the case is exceptional in which a revival effort should not be held in every congregation once a year.

We recommend the appointment of Rev. R. F. Campbell as Conference Evangelist for the ensuing year.

Respectfully submitted,

O. M. RICKMAN.

REPORT OF THE COMMITTEE ON MEMOIRS.

We had referred to us the names of Rev. J. L. Proffitt and Rev. T. P. Cobb as having died during the year, and for whom we herewith submit memorials. We also submit for record a short memorial of Sister Mary T. Phillips, the wife of the late Rev. Preston Phillips.

Rev. Tobias Peters Cobb.

Tobias Peters Cobb was born in Lafayette County, Mo., January 7, 1846. His parents, James and Polly Cobb, were devout Methodists, and their children were carefully reared in that faith. Brother Cobb was converted when a boy of about twelve years and at once joined the church of his fathers. He was happily married to Miss Frances C. Wagoner, May 15, 1866, who gave him faithful support through years of arduous toil. She and five children survive him.

He was licensed to preach in 1870 and served four years as a supply, during which time he was elected as a lay delegate to the General Conference. He was admitted to the Southwest Missouri Conference in 1874,—was ordained Deacon by Bishop McTyeire in 1876 and Elder by Bishop Doggett in 1878. He was a faithful messenger of the Gospel. He loved to tell the "old, old story."

A great multitude of people were converted under his passionate appeals. He made no compromise with sin and the devil. He was a militant in the truest sense, and sinners were cut to the heart under his preaching. His Presiding Elder says of him,—“He was in a class to himself. He was a plain, frank, outspoken man with convictions and courage to utter and defend them. There was a tender loving heart behind a manner and speech sometimes brusque.” For forty-one years he met the responsibilities of his calling with unflinching courage, and on April 22, 1915, he fell on sleep and was gathered to his fathers. We shall meet him in the crowning day, in that great Conference where the appointments shall be made by the Bishop of our souls.

W. H. WINTON.

Rev. James L. Proffitt.

Rev. James L. Proffitt was born in Neosho, Newton County, Mo., March 16, 1850; died in St. Louis, Mo., April 19, 1915. He was happily married to Miss Elsie Little, August 11, 1875, who with their three sons and one daughter survive him to mourn their loss. Early in life he became a Christian and united with the Methodist Church. He followed school teaching until 1896. He was licensed to preach and served as a supply in the Western and St. Louis Conferences for seven years.

Brother Proffitt was admitted to the St. Louis Conference in 1903. He was transferred to the S. W. Mo. Conference in 1912, and was serving his third year in Jerico Springs Station when his health gave way and he went to St. Louis where he patiently suffered for several months and met death triumphantly.

Rev. J. L. Proffitt was a good and true man, faithful in all the relations of life. Unassuming in his attitude, strong and clear in his preaching. The doctrines of the Bible as taught by the Methodist Church were safe in his hands. The people heard him gladly, the requests for his return to the charges which he served were frequent and indicated his acceptability.

We can say of him,—“Servant of God, well done, rest from thy loved employ.” His funeral was conducted by his personal friend, Rev. O. H. Duggins, assisted by the Revs. L. E. Todd, C. N. Clark, E. T. Clark, J. M. Broadhead, Ed-

ward Card and John McCarthy. He was buried in Wesleyan Cemetery near St. Louis. Those who knew him loved him, and we all feel that the Conference has lost a true and faithful member, but we are sure that he has realized the hope he so earnestly preached to others.

W. H. COMER.

Mrs. Mary T. Phillips.

Mrs. Mary T. Phillips, daughter of N. W. and Matilda Boone was born in Madison County, Ky., August 1, 1832. With her parents she moved to Missouri in 1846. She was educated in Howard High School under Dr. Nathan Scarritt and Mr. Lucky. She was married in 1850 to Preston Phillips. In the year 1857 Brother Phillips joined the Missouri Conference and transferred to Texas. He removed to Missouri in 1865, and lived in Sedalia for several years. In 1873 Brother Phillips was readmitted into the S. W. Mo. Conference in which he remained till his death in 1892.

Sister Phillips was a gentle, faithful, conscientious Christian woman. She loved her husband, her children and her church. She reared a family of nine children. Two of her sons were preachers in this Conference and two of her daughters were missionaries in China. She had a bright mind and a good education and was very efficient and acceptable in all the relations of life. She died in Kansas City, Mo., April 8, 1915. The funeral services were conducted by Dr. W. T. McClure, assisted by others. Loving hands bore her to her last resting place in Mount Washington Cemetery.
